**Dental visit** is only able to be on Monday, Feb. 22nd at 9:00. If you do not attend school on Mondays you are welcome to join us at 9:05 in Fellowship Hall for a presentation. Other classes will receive a treat bag from the dentist and we will work on concepts in class as well.

We received an update from **Daniel** our sponsored child in Indonesia. He is looking forward to the pictures we just sent him. His pastor said he is now enrolled in their program and his family is VERY thankful that we are able to sponsor him. He sends his prayers for all of our families. He is just learning to pray. Prayerfully consider adopting him at the end of our school year.
