We are now on **Facebook!** Come grow with us and be our fan as we share stories about our school. Feel free to invite any friend or relative. We hope to add some pictures soon. Facebook is a free site, but you must be a member. Only members will be able to see our postings. We welcome any comments as we learn what methods of communication work for parents and friends.

### **Language Stars class**

We will have a Spanish immersion classes on Mondays from 11:30-12:12:45 for any 3-5 year old. On Feb 8th-March 22nd (No class on Feb. 15th) and on April 5th-May 10th. The class will also include a light lunch where the children will be learning food names. The class is being subsidized by a special donation and we are able to pass on the savings to you. The cost is only \$10 per class! The regular price is \$42 a week for that amount of instruction. See the office for more information.

# January News 2010

## **Registration for next fall!**

Believe it or not we are already planning for fall! Our registration for current children will begin **Tuesday, January 12th**. Classes will be offered to all currently enrolled families and then be open to the public on January 19th. We hope all our families will be able to get into their first choice classes. A non refundable deposit of \$55 per family is required to officially hold a spot. However, we can work with families that cannot pay that amount now.

By your suggestions, we will be offering a new M-F morning class for 4-5 year olds ready for kindergarten the following year. If you do not see a time that fits with your schedule, please talk to us.

Forms will go home with children on the 12th and can be turned back in as soon as you can. We look forward to having all our families return next fall and invite their friends! :)

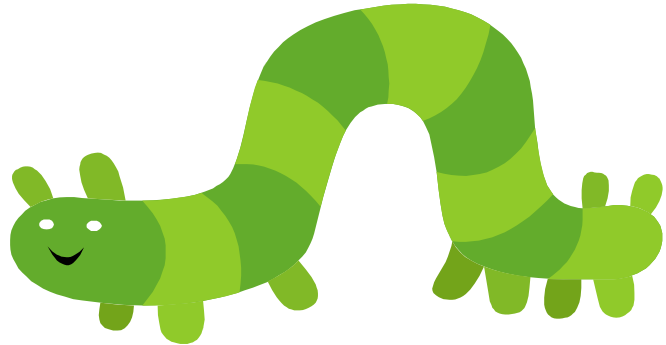

**T-shirts** will be made available to all children. Watch your child's mailbox for forms. Shirts will have self portraits of all the children in our school and will be available for our field trip to Max and Ruby on March 5th. Turn in by Friday, Jan. 29th if you would like a T-Shirt to order.

### **Christmas update:**

We want to thank all the families that came for our Family Christmas night! The kids all did a great job singing for us and making their family prayer cubes. One family left behind their cube. If you made one with purple markers, it is in the school office.

I hope some of you were able to try offering a gift to Jesus during your Christmas time. My own family kept a box and had 25 things to read on Christmas morning. The acts of love and kindness ranged from funny to touching, but they all were great gifts for the birth of Jesus. My own family will be trying it again next year, I hope some of you will also take that challenge.

**Tile Wall update:**All of our new students are recognized on our permanent tile wall which is located outside of Fellowship Hall downstairs. The caterpillars made with their hands are all now on the bottom of the wall. The children are in alphabetical order. We are proud to have them a part of our history.

### **Yoga class:**

We will be offering a yoga class for preschoolers on Fridays from Feb 19th-March 26th from 11:30-12:10. The class will be taught by a professional yoga teacher. We will resume Gymboree classes after the yoga class is completed. Sign up sheets will go home if you are interested. The class will use relaxation techniques and exercises that will aid in physical movement.

### **Vision and Hearing**

#### **Screening:**

We will be giving all children ages 3 and older a vision and hearing exam from the County Health Department on March 25-26th. We will be paying for this in full. We see this as an important service and are proud to offer it to you free of charge.
