

St. Paul's Preschool Year End Newsletter 2010

Hands of Jesus Project

St. Paul's Christian Preschool was fortunate to receive a donation that we were able to spread to many children as we lived out the vision of St. Paul's Church to reach out in love to meet the needs of all children and young people in Crystal Lake and the surrounding communities. In March we passed out 112 envelopes with five single dollar bills to all our preschool families and people attending church. We then prayed that God would speak to the people receiving the envelopes. We are pleased to share that God is still speaking to us!

We have many personal stories about people's gifts and would be happy to share them for those interested. Here is a list of some of the organizations that benefitted from our project.

Bear Necessities (Pediatric Cancer)
CASA
Celebration of Hope for blankets for children in Somalia
Compassion International
Haiti
Home of the Sparrow
Individual strangers, neighbors and friends
Local Food pantries
March of Babies
March of Dimes
North School in Crystal Lake
PADS
Ronald McDonald House
Samaritan's Feet
Spiritual Development Program
St. Paul's Christian Preschool scholarship fund
St. Paul's Easter Egg Hunt
St. Paul's Sunday School Store
Wings and a Halo
World Vision for a Vietnamese Village

We started by passing out \$560. We had additional donations of at least \$350 which made our total outreach over \$900. We thank all those involved for listening and being the hands of Jesus. May we all continue to be Jesus' hands and feet and show our love for others.

Summer camps

We will have summer camps for children ages 3-6 on TWTH's from 9:15-11:30 from June 1st –July 22nd.

Cost is \$55 a week with discounts for multiple weeks. Please see your child's teacher or call the office if

Fall 2010

You will get a tentative fall calendar for the 2010/2011 school year before we dismiss for summer. We will have the same schedule as District #47. If you have not yet registered for fall, please check online or in the office for forms. Also, if you know of any other 2-4 year olds that will be needing a class, please pass on our information. Word of mouth is our best advertising.

You will receive a letter in the mail in the summer with more information about fall. We look forward to having students return and begin a new year with us.

6:00 pm celebration for Sunshine room

7:00 Graduation celebration for Garden room

Tuesday, June 1st, Summer camps begins. 8 different weeks. Sign up now for weeks you would like.

Compassion International Child:

We are looking for a family to adopt Daniel for the next school year. We have sponsored him all year and received letters from him. We would love one of our own families to take over in writing to him and financially sponsoring him for the next school year. He is all funded through the summer. It costs \$38 a month to feed and cloth him and send him to school. He just turned 5 this April 8th. Daniel lives in Indonesia with his family and would love to get to know your family.
